Pennfield Charter Township closing township offices; water shutoffs suspended

Pennfield Charter Township, March 17, 2020: Pennfield Charter Township will close public access to Township offices beginning March 18, 2020 in response to the COVID-19 virus. "All services will remain available to our residents but in response to the COVID-19 virus we are asking our Pennfield family to please either use our drop box located at our township hall, mail, or our Township website to submit payments. We also will be suspending all water shutoffs as we look forward to working with our residents and helping where we can during this challenging time for us all" said Dave Morgan, Pennfield Charter Township Supervisor. Our office will be staffed normal hours and our team will be available to answer any calls, as well as questions our residents may have.

The Pennfield Fire Department, Utilities Department, as well as the Calhoun County Sheriff Department will remain on duty and all services they provide will not be affected. The Pennfield Charter Township Supervisor, Clerk, Treasurer, and Assessor will be available by appointment.

The Township office will remain closed to the public until April 6, 2020 at which time the status will be reevaluated.
